

Use Benevolist.org to Help You Meet Your Item Collection Drive Goals!

Try out this **free** platform designed to save you and your donors valuable time.

Give your donors the choice to participate online, at their convenience, so that everyone has an opportunity to make a positive contribution to your item collection drives.

How to Use **Benevolist.org**:

- Go to Benevolist.org and [sign up for an account](#).
- **Create your drive.** Go to your **Dashboard** and click the **Drive Templates** button, locate the template, and click the **View Drive Templates** button. Then simply click **Copy Template Drive to My Dashboard** and you're ready to go!
- Now you can create your drive using items from Amazon, Walmart, Target, and The Home Depot. [Watch our Organizer Walkthrough Video](#) to learn about the process.
- Once you've customized the template with your items and quantities and arranged them in the order that you want them to appear, you're ready to [share the drive link and the QR code with all your supporters](#).

The items that are donated to your collection drive via Benevolist.org will ship directly to your specified drop-off location. Donors with mobility issues or who don't have time to go shopping in person will be delighted by this quick and easy way to take part in your item collection drives!

By providing your donors with a virtual way to take part in your collection drives at their convenience, you're making it easier for anyone to contribute to our shared goal of helping people in need.

Together we can make a difference!
