

Hello from [Organizer First/Last Name]!

You've been an important part of our giving community and we want you to know how much we appreciate your support. Because of this, I'd like to invite you to participate in an item collection drive for [Charity Name]. Please consider purchasing something from the item wish list called [Drive Name]. Even the smallest of purchases will go a long way towards helping to reach the item collection goal.

As we all know, charities need help from donors like you to be able to do great work. And now that we're using the new gift-giving platform Benevolist.org, it's easier than ever to donate items...you don't even have to leave your house!

Follow these few simple steps, and you'll be on your way to sending those much-needed wish list items. As always, Benevolist.org is completely **free** to use, and there are never any hidden fees or added costs.

1. When you click on the DONATE ITEMS NOW button, you'll be taken to the item wish list that was created on Benevolist.org.
2. Select the items you'd like to purchase and click BUY NOW, which will take you to the merchant's website where you'll finish buying the items you'd like to donate.
3. Follow the merchant's instructions to complete your purchase, entering the delivery information provided to you by the drive organizer on Benevolist.org and then paying by using one of your own payment methods.
4. When you've finished checking out, click on the blinking tab to return to Benevolist.org to record your purchase. This will allow me to keep track of all the items donated for this collection drive. Since this is a very important and extremely helpful step, you'll also be sent an email to gently remind you, just in case you forget or can't do it right away.

Your donation makes a difference in people's lives. Thank you for your support and for giving generously.
